EMPLOYEE REPORT

Report Date: September 27, 2024

Date of Council Meeting: October 2, 2024

Prepared By: Jordan Genrick

Approved By: Virginia Phanenhour

Reason for this Report

To provide Council with information regarding a replacement plan for the 2006 International Plow Truck.

Recommendation

“THAT Council for the Corporation of the Township of Brudenell, Lyndoch & Raglan directs the Operations Manager to proceed with the purchase of a 2012 International Plow Truck from Oxford Mobile Fleet Services Inc. at a base price of \$34,000 plus applicable fees and taxes. Further declares the 2006 International as surplus and dispose of via GovDeals.”

Facts and Issues

During a recent emissions test truck 106 (2006 International Plow) has failed, was retested and failed again. It's been determined that the engine has failed and requires a top end rebuild. Estimates calculated by staff are +/- \$35,000 (based on a similar rebuild in 2023). These prices do not include repairs necessary for the annual safety. Seeing how the unit is 18 years old it is being suggested that a replacement plan be implemented. Should Council decide to opt out of the recommended replacement the truck will be forced to be parked November 1st as the license will not be able to be renewed. Staff have looked at 4 replacement trucks and have chosen one that will meet the current needs, a 2012 International 7600 with 114,000km Viking reversible plow and sander equipment. The unit can be delivered and may include an annual safety and emissions test for additional fees. Staff are proposing using budgeted vehicle maintenance funds for the replacement. The 2006 International would then go to auction via GovDeals, it is estimated that the truck would sell for \$10-12,000.

Reason for this Report

To provide Council with an update regarding winter sand.

Recommendation

“THAT Council for the Corporation of the Township of Brudenell, Lyndoch & Raglan accept this report as information only.”

Facts and Issues

Update following last meetings rejection of the winter sand tender. Staff have contacted three agencies to provide quotation for screening services and stacker rental, two proposals were received, one meets the needs of the Municipality and are able to meet time lines. Siegel Sand and Gravel are able to screen for the Municipality at a cost of \$7.95/Tonne and \$39.50/hr stacker rental plus HST. The Municipality would be responsible for purchasing the aggregate and trucking. Cost estimate excluding trucking is \$54,450.00 plus applicable tax.

Reason for this Report

To provide Council information regarding chair and table lending from the BLR Community Center.

Recommendation

“THAT we the Council for the Corporation of the Township of Brudenell Lyndoch and Raglan hereby agree that the only tables and chairs to be lent out from the BLR Community Centre are the older wooden ones, and further that there will be no cost associated, but lent out by donation, AND further direct staff to re-evaluate the Rental Rates for the BLR Community Centre and bring back to Council all the suggested changes.”

Information

Located in the BLR Community Center Hall there are 37 resin tables and 192 plastic chairs used on a regular basis for various functions.

Located in arena/storage and used for overflow at larger events, are 18 wooden tables, 106 wooden chairs and 82 plastic (20 that are in good condition).

To replace one table is a cost of \$90 - 100.00 each. To replace one chair is a cost of \$80-90 each.

Normally when residents borrow tables and chairs, they would receive the older items. Recently the newer tables and chairs have been being lent out due to quantities requested. As there is no charge for this service in our schedule of fees or rental rates, the Township would be assuming the replacement costs.

Lending tables and chairs can increase potential damage due to usage, transportation and the unknowns of what they are being used for.

Staff is suggesting that the only tables and chairs to be lent out are the wooden ones by donation, until the Rental Rates get updated.

RE: Town of Goderich Resolution – Review of the Ontario Works and Ontario Disability Support Program Financial Assistance Rates

Dear C. Blumenberg,

Please be advised of the following motion passed at the Monday, March 18, 2024, Goderich Town Council Meeting:

Moved By: Councillor Segeren

Seconded By: Councillor Kelly

WHEREAS poverty is taking a devastating toll on communities, undermining a healthy and prosperous Ontario, with people in receipt of Ontario Works and Ontario Disability Support Program being disproportionately impacted;

WHEREAS the cost of food, housing, medicine, and other essential items have outpaced the highest inflation rates seen in a generation;

WHEREAS people in need of social assistance have been legislated into poverty, housing insecurity, hunger, poorer health, their motives questioned, and their dignity undermined;

WHEREAS Ontario Works (OW) Financial Assistance rates have been frozen since 2018 (\$733 per month);

WHEREAS Ontario Disability Support Program (ODSP) benefit rates have been increased by 6.5 percent as of July 2023 to keep up with inflation, however even with the increase, ODSP rates still fall below their value in 2018 (\$1,376 when adjusted for inflation) and significantly below the disability-adjusted poverty line (\$3,091 per month);

WHEREAS OW and ODSP rates do not provide sufficient income for a basic standard of living and, as a result, hundreds of thousands of people across Ontario who rely on these programs live in poverty;

WHEREAS designated Service Managers are doing their part, but do not have the resources, capacity, or tools to provide the necessary income and health-related supports to people experiencing poverty; and

WHEREAS leadership and urgent action is needed from the Provincial Government to immediately develop, resource, and implement a comprehensive plan to address the rising levels of poverty in Ontario, in particular for those on Ontario Works and Ontario Disability Support Programs;

THEREFORE BE IT RESOLVED THAT the Town of Goderich requests the Provincial Government to urgently:

1. At least double Ontario Works and ODSP rates and index rates to inflation, answering calls already made by “Raise the Rates” campaign and the “Income Security Advocacy Centre”;
2. Commit to ongoing cost of living increases above and beyond the rate of inflation to make up for the years they were frozen;

Re: Provincial Updates to the Municipal Elections Act

At its regular meeting of Council held on September 18, 2024, the Township of Amaranth Council passed the following resolution.

Resolution #: 3

Moved by: G. Little

Seconded by: B. Metzger

WHEREAS elections rules need to be clear, supporting candidates and voters in their electoral participation and election administrators in running elections.

WHEREAS legislation needs to strike the right balance between providing clear rules and frameworks to ensure the integrity of the electoral process,

WHEREAS the legislation must also reduce administrative and operational burden for municipal staff ensuring that local election administrators can run elections in a way that responds to the unique circumstances of their local communities.

WHEREAS the *Municipal Elections Act, 1996* (MEA) will be 30 years old by the next municipal and school board elections in 2026.

WHEREAS the MEA sets out the rules for local elections, the *Assessment Act, 1990* and the *Education Act, 1990* also contain provisions impacting local elections adding more places for voters, candidates, and administrators to look for the rules that bind the local democratic process in Ontario.

WHEREAS with rules across three pieces of legislation, and the *MEA* containing a patchwork of clauses, there are interpretation challenges, inconsistencies, and gaps to fill.

WHEREAS the Act can pose difficulties for voters, candidates, contributors and third-party advertisers to read, to interpret, to comply with and for election administrators to enforce.

WHEREAS while local elections are run as efficiently and effectively as can be within the current legislative framework, modernization and continuous improvement is needed to ensure the Act is responsive to today's needs and tomorrow's challenges.

WHEREAS to keep public trust and improve safeguards the Act should be reviewed considering the ever-changing landscape which impacts elections administration including privacy, the threats of foreign interference, increased spread of mis/disinformation and the increased use of technologies like artificial intelligence and use of digital identities.

WHEREAS the Association of Municipal Managers, Clerks, and Treasurers of Ontario (AMCTO) reviewed the Act and has provided several recommendations including modernizing the legislation, harmonizing rules, and streamlining and simplifying administration.

AND WHEREAS AMCTO put forward recommendations for amendments ahead of the 2026 elections and longer-term recommendations for amendments ahead of the 2030 elections.

BE IT RESOLVED THAT The Township of Amaranth calls for the Province to update the MEA with priority amendments as outlined by AMCTO before Summer 2025 and commence work to review and re-write the MEA with longer-term recommendations ahead of the 2030 elections.

And Be It Further Resolved that this resolution will be forwarded to all municipalities in Ontario for support and that each endorsement be then forwarded to the Minister of Municipal Affairs and Housing (minister.mah@ontario.ca), the Minister of Education (minister.edu@ontario.ca), the Minister of Public and Business Service Delivery (todd.mccarthy@ontario.ca), Minister of Finance (Minister.fin@ontario.ca) the Premier of Ontario (premier@ontario.ca), Sylvia Jones MPP (sylvia.jones@ontario.ca) and AMCTO (advocacy@amcto.com)

RÉUNION ORDINAIRE

Réunion Ordinaire

No. du point à l'ordre du jour: 12.1.2.
No. du point 2024-220
Titre: Canton de Russell - Résolution visant à soutenir les mises à jour provinciales de l'AMCTO concernant la loi sur les élections municipales
Date: le mardi 17 septembre 2024

Proposé par: Francine Leblanc

Appuyé par: Paul Groulx

Attendu que les règles électorales doivent être claires, qu'elles doivent aider les candidats et les électeurs à participer aux élections et les administrateurs électoraux à organiser les élections; et

Attendu que la législation doit trouver un juste équilibre entre la fourniture de règles et de cadres clairs pour garantir l'intégrité du processus électoral; et

Attendu que la législation doit également réduire le fardeau administratif et opérationnel pour le personnel municipal en veillant à ce que les administrateurs électoraux locaux puissent organiser les élections d'une manière qui réponde aux circonstances uniques de leurs communautés locales; et

Attendu que la Loi de 1996 sur les élections municipales (LEM) aura 30 ans au moment des prochaines élections municipales et scolaires en 2026; et

Attendu que la LEM établit les règles pour les élections locales, que la Loi de 1990 sur l'évaluation foncière et la Loi de 1990 sur l'éducation contiennent également des dispositions ayant une incidence sur les élections locales, ce qui augmente le nombre d'endroits où les électeurs, les candidats et les administrateurs doivent chercher les règles qui régissent le processus démocratique local en Ontario; et

Attendu qu'avec des règles réparties dans trois textes législatifs, et que la Loi sur l'éducation contient un ensemble de clauses disparates, il y a des problèmes d'interprétation, des incohérences et des lacunes à combler; et

Attendu que la loi peut poser des difficultés aux électeurs, aux candidats, aux donateurs et aux annonceurs tiers qui doivent la lire, l'interpréter, s'y conformer et aux administrateurs électoraux qui doivent l'appliquer; et

Attendu que si les élections locales sont gérées aussi efficacement que possible dans le cadre législatif actuel, une modernisation et une amélioration continue sont nécessaires pour garantir que la loi réponde aux besoins d'aujourd'hui et aux défis de demain; et

Attendu que pour conserver la confiance du public et améliorer les garanties, la loi devrait être révisée en tenant compte du paysage en constante évolution qui a une incidence sur l'administration des élections, y

compris la protection de la vie privée, les menaces d'ingérence étrangère, la propagation accrue de la désinformation et l'utilisation accrue de technologies telles que l'intelligence artificielle et l'utilisation d'identités numériques; et

Attendu que « Association of Municipal Managers, Clerks, and Treasurers of Ontario » (AMCTO) a examiné la loi et a formulé plusieurs recommandations, notamment la modernisation de la législation, l'harmonisation des règles et la rationalisation et la simplification de l'administration; et

Attendu que AMCTO a formulé des recommandations de modifications avant les élections de 2026 et des recommandations de modifications à plus long terme avant les élections de 2030; par conséquent

Il est résolu que la Municipalité de Casselman demande à la province de mettre à jour la LEM avec les modifications prioritaires décrites par AMCTO avant l'été 2025 et de commencer à examiner et à réécrire la LEM avec des recommandations à plus long terme avant les élections de 2030; et qu'il soit en outre

Résolu que cette résolution soit transmise à toutes les municipalités de l'Ontario pour obtenir leur appui et que chaque appui soit ensuite transmis au ministre des Affaires municipales et du Logement, au ministre de l'Éducation, au ministre de la Prestation des services publics et commerciaux, au ministre des Finances, au premier ministre de l'Ontario, au député provincial de Glengarry-Prescott-Russell et à AMCTO.

Date of Council Meeting:	October 2, 2024
Prepared By:	Tammy Thompson
Approved By:	Virginia Phanenhour

Reason for this Report

To provide Council with Information regarding an addition to Tower C8706.

“THAT Council for the Corporation of the Township of Brudenell, Lyndoch and Raglan hereby approve the height addition to Tower C8706 as requested by Rogers, and further direct staff to issue a concurrence letter to Rogers.”

Information

Rogers received CRINS' expedited approval of the 91.5m guyed tower C8706 but they are requesting to increase the height of the tower to 105m to ensure line-of-site to another tower. Without this height increase, the original 91.5m tower will not function.
